AMFM GIS Italia Workshop 2014

Experts' workshop on
LOCATION AS UNIFYING ELEMENT OF
ACTIONS AND INFORMATION FOR CITIZEN SERVICES

September 24th , 2014 - Aula Magna, Facoltà di Architettura
Piazza Borghese 9, Roma

Objectives

Workshop's main objective is the discussion and improvement of the White Paper LOCATION AS UNI-FYING ELEMENT OF ACTIONS AND INFORMATION FOR CITIZEN SERVICES (URL http://www.amfm.it/images/pdf/140615_annuncio/WP_it_0901.pdf, http://www.amfm.it/images/pdf/140615_annuncio/WP_en_0901.pdf).

This workshop is connected to the AMFM Conference, that has the same title as the white paper, which is held in Rome on September 25th, hosted by Comune di Roma Capitale, where relevant Italian Authorities of Public Administration are involved and the workshop's results are presented.
